

ABOUT STUDENT STARTUP AND INNOVATION POLICY (SSIP)

The Student Startup & Innovation Policy is a pioneered program of Government of Gujarat to create an integrated, state-wide, university based innovation ecosystem to support innovations and ideas of young students and provide a conducive environment for optimum harnessing of their creative pursuit.

As per the provisions of policy, fund support has been provided for capacity building initiatives to be undertaken at universities and institutes of higher education, fund are also provided for sensitization of students regarding innovation and entrepreneurship, prototyping of ideas and innovations, IPR and allied supports.

The education department of the government of Gujarat is aiming to leverage the seavenues in a systematic manner by building studentt-centric innovation and Preincubation processes. Harnessing the creative potential of young students across universities and educational institutions is also necessary to generate an entrepreneurial model of inclusive development.

The Student Startup & Innovation Policy hence aims at ensuring that the students across all educational institutes of Gujarat get a conducive environment to solve problems and create ideas and opportunities. This policy addresses the need of creating a strong pipeline of innovations out of research and allied efforts across institutes, helping students convert ideas into opportunities, that later can be supported as startups through various existing institutional mechanisms.

DR. SUBHASH TECHNICAL
CAMPUS –AT A GLANCE...

Dr. Subhash Technical Campus which is the only integrated professional educational complex located inside Junagadh city's municipal limits, is approved by All India Council for Technical Education (AICTE) under affiliation to Gujarat Technological University (GTU). The campus offers **B.E., Degree programs** in Civil Engineering, Computer Science & Engineering, Electrical Engineering, Electronics & Communication Engineering, Information technology and Mechanical Engineering, **Degree program in Master of Computer Applications (MCA), B. Pharmacy program and Diploma programs** in Mechanical, Electrical, Civil and Computer Engineering. In the year 2016-17

The vibrant community of about 175 technical and administrative staffs and about 2300 students in the Campus is powered by a dedicated trust **Dr. Subhash P. Chavda Ahir Kelvani Mandal, Junagadh**. Innovation, excellence and quality are the driving forces on the campus and these have translated the vision of the institute into a reality over a short span of time. Today, the campus vibrates with not only world class curricular activities but also with myriad activities like, symposia, conferences, student competitions, short term industry relevant programmes, cultural activities and placement activities. The institute is committed for excellent education in the professional education with splendid infrastructure facilities.

DR. SUBHASH TECHNICAL CAMPUS - A SSIP Nodal Institute

Dr. Subhash Technical Campus is recognized and approved as a Nodal Institute by Gujarat Knowledge Society (GKS), Government of Gujarat in June -2019. DSTC aims to harness novel ideas and creativities from innovators in regional location.

We are providing a common platform to convert novel ideas to Startups and Entrepreneurs. We are offering financial support, Mentoring, Patent support & assistance, Support for Prototype, Proof of Concept (PoC) development and Commercialization of Innovation etc.

We support and provide Platforms for...

1

SEMINARS, WORKSHOPS AND TRAINING PROGRAMS:-

- For sensitization and Outreach to Innovators and early stage startups.
- To develop a sound regional ecosystem development.
- To provide latest technology training through training programs.
- Concentric and specific arrangement of events.

2

PATENT FILLING:-

- Financial assistance/Grant up to Rs. 25,000/-.
- Expert Services from Patent officer, Patent agent etc.
- Guidance for Patent filling procedure.
- Special Arrangement of Seminars, Workshops, Awareness and Training programs on Patent.

3

PROJECTS/PROOF OF CONCEPTS NOVEL IDEAS/INNOVATIONS:-

- Seed Fund up to Rs. 2,00,000/-
- Industrial Exposure, Mentorships, Testing of Projects/Products/Services/Processes etc., Pre-incubation, Market and Commercialization.

4

OTHERS:-

- Arrangement of Boot Camps and Hackathon for Innovators to validate their Products, Processes or Services.
- Provision of Industrial exposure through Internship.
- Provision of Professional services.

OUR CONTRIBUTION AND DEDICATION FOR INNOVATION...

Dr. Subhash Technical Campus always promotes and motivates students for Innovation, Research and Development. To incubate novel ideas in precise manner, our students are participating in various Workshops/Conferences/Training Programs/Boot Camps etc.

Our journey for innovation has settled many milestones through participation in various schemes supported by Central Government, State Government and Gujarat Technological University.

Our young innovators have showcased their innovation in many National and State level competitions such as Vibrant Gujarat Summit -2019, Smart India Hackathon, Student Open Innovation Challenges, Vishwakarma Yojana, Internshala etc. and won attractive Scholarship and Grants.

ELIGIBILITY FOR PARTICIPATION:-

- Any Students affiliated to Schools, Colleges, Research Institutes and Laboratories etc. across local region.
- Industrial personals
- Teachers, Professors, Experts, tutor etc. working in professional and educational institute etc.
- Any person belongs to Urban or Rural areas irrespective of their education i.e. Farmer, Artisans, Technicians and Mechanics etc. who have Innovative Ideas.
- Research institutes, research and development centers, Innovation centers, Public service agencies i.e. Municipal corporations, Gram Panchayats, Cooperative unions/networks/associations etc.

IMPORTANT DATES:-

For participation in Screening -1, kindly register your novel ideas as early as possible to avail seed fund for Project development and national level Patent filing with mentoring, training, industrial exposure and many more.

- **Registration Starts:-** 04/07/2019
- **Registration Ends:-** 25/07/2019
- **Screening for Projects/Ideas/Proposals and Patent :-** 27/07/2019

VENUE:-

Dr. Subhash Technical Campus
Department of Electronics & Communications
Lab No. 215 (Circuit & Network Theory)

OUR OBJECTIVES...

Dr. Subhash Technical Campus -Junagadh closely aimed at,

- To create an Ecosystem for Startup & Entrepreneurship across saurashtra region.
- To harness and nurture novel Ideas and provide platforms to showcase their creativity.
- To provide and facilitate all Innovation centric sources like Financial support, Mentorship, Industrial training, Prototype and PoC support, Patent assistance etc.
- To create a common platform to showcase, support and upscale innovation.
- To build bridge and integrate Academia, Industry, Urban and Rural sectors for better execution of novel ideas.
- To provide support to utilize Campus Laboratories, Library, Innovation center, Workshop for all Stockholders of Nodal Institute.
- To develop Innovation center, Pre-incubation center, Fab lab, Tinkering lab for experimentation and validation of prototypes and Proof of Concepts (PoC) of our Innovators.
- To undertake cultural building activities such as Workshops/Training programs/Boot camps/ Conferences etc.
- To convert initial ideas to Startups and Entrepreneurship through mind to market, pre-incubation, mind to money concepts.

BENEFITS FOR INNOVATORS:-

- Support for Mind to market and Mind to money for Startups, Innovators, Entrepreneurs and Investors etc.
- Availing grants/funds for Seeding, Prototype, PoC, Patent etc.
- Exposure to various Platforms.
- Knowledge gaining about streamlined Innovation process.
- Periodically interaction with successful Startups, Entrepreneurs and Angle Investors.
- Awareness about central and state government policies for Startup and Innovation.
- Precise and reliable development of novel ideas.
