**Subject:** Fee payment for academic year 2023-24 (Odd Semester)  
-----

Dear Students & Parents,

Greetings from Dr Subhash University!

We would like to bring to your attention the importance of timely fee payment for smooth functioning of our institution and to ensure that you continue to receive uninterrupted educational services. It is through your timely fee payments that we are able to provide quality education, maintain our facilities, and organize curricular and extracurricular activities that contribute to your overall development.

All the students of the institute (irrespective of their programme) are informed to ensure the payment of their fees of academic year 2023-24 (odd semester) **on or before 30<sup>th</sup> June 2023**. Failure to submit the fees within the specified time duration will result in the application of late fee charges. There will be ₹500 late fee charges if the fee is paid in between 1<sup>st</sup> July to 15<sup>th</sup> July 2023. Later on, the late fee charges will be ₹1000.

Kindly note that all the fee will be paid through **JODO** only. Jodo provides three different options to pay your fees without facing any hurdles. Choose the convenient option to you, and pay your fee within the decided time duration to avoid late fee charges.

You are strongly urged to prioritize the fee payment to avoid any inconvenience of disruptions to your academic journey. Your cooperation in this regard is highly appreciated.

Kindly note that, now onwards the deadline for fee payment of all the programmes for odd semesters will be **30<sup>th</sup> June**, and for even semesters, the deadline will be **30<sup>th</sup> December**.

Thank you for your attention to this matter, and we look forward to your continued support in maintaining smooth functioning of our institution.
