Updation of Events and Circulars on DSU website

Season's Greetings,

It is very well known to us that our campus is always vibrating with one or the other activities, events, seminars etc. We prepare circulars and reports of the same. We are also aware that these circulars and events' reports are supposed to be updated time to time on our website.

It is instructed to all deans that whenever we arrange any such activities and prepare circular and report of the same and the circulars published from the office of the Registrar too will be sent to dsu.updates@gmail.com for updating on website.

With Best Wishes.
