**Subject: Availability of Participant Identification Code (PIC) for European Union  
Funding and Tenders Portal**  
-----

We are pleased to share that our University has been assigned a **Participant Identification Code (PIC)** for the **European Union Funding and Tenders Portal**. This code is unique to our University and is required for all official activities with the European Union.

Faculty members who are planning to:

- Apply for EU funding opportunities
- Submit project proposals
- Initiate or participate in collaborations and interactions with the European Union

must use this PIC code.

The PIC details are available with the Office of External Affairs (Dr. Sweta S. Panchal), and faculty interested in European Union related initiatives are requested to kindly reach out to the Office of External Affairs before proceeding with any applications or submissions.

We encourage all faculty to take advantage of this opportunity and explore potential collaborations with the European Union.

Dr. Jignesh Patel  
Registrar,  
Dr. Subhash University-Junagadh.
