

CIRCULAR

To,
All Staff and Students
Ref. No.: DSU/Circular/Admin/2026/011

13th January, 2026

Seasons' greetings

Subject: Establishment and Launch of Student Clubs

This is to inform all students and staff members that, in alignment with the University's commitment to fostering holistic growth, creativity, leadership, and active co-curricular engagement, a variety of Student Clubs have been established across the University (as per the attached list).

These clubs aim to provide vibrant platforms for students to:

- Explore their interests and passions
- Cultivate creativity and innovation
- Develop professional, interpersonal, and leadership skills
- Enhance teamwork and collaboration
- Strengthen campus culture and student engagement

Each club will operate under the guidance of a designated Faculty Coordinator, supported and run by Student club members, and will function as per the guidelines approved by the University. Active participation will not only enrich your campus experience but will also significantly add value to your academic and professional portfolio.

We warmly invite all enthusiastic students to join as the founding members of these clubs. This is a unique opportunity to contribute to shaping the vision, culture, and activities of each club right from the inception stage. Registration in *at least one* student club is mandatory for all students.

Registration Process

Students must register themselves in at least one club and may choose to register for more by completing the registration form provided below:

Registration Link: <https://forms.gle/GShRbSoUTrfYUPZG8>

Registration Deadline: On or before 22nd January, 2026

Let us work together to build a more vibrant, dynamic, and engaged campus community.

Thank you

Registrar
Dr. Subhash University
Junagadh
