**Subject: International Internship Opportunity for Pharmacy Students – Taiwan
Experience Education Program (TEEP)**

The Office of External Affairs is pleased to inform pharmacy students about the prestigious International Research Internship Opportunities in Taiwan under the Taiwan Experience Education Program (TEEP).

Available Internship Programs:

1. Cancer Pharmacology & Preclinical Drug Discovery Internship Training Program

University: Taipei Medical University, Taiwan
Application Period: 01 April 2025 – 30 June 2026

2. Discovery of Active Natural Products @ KMU

University: Kaohsiung Medical University, Taiwan
Application Period: 01 January 2025 – 31 December 2026

3. GNPS-Guided and Bioassay-Guided Fractionation Strategies for Bioactive Natural Products Discovery

University: Kaohsiung Medical University, Taiwan
Application Period: 01 January 2026 – 31 December 2026

These programs focus on advanced research in pharmacology, drug discovery, and natural product-based therapeutics, providing international exposure and hands-on research experience to pharmacy students.

Internship Benefits:

- International research exposure in Taiwan
- Work under globally recognized faculty & laboratories
- Opportunity to gain hands-on experience in drug discovery and pharmaceutical research
- Certificate from host university

Interested students may register their interest at the Office of External Affairs, Dr. Subhash University. For any queries or detailed information regarding the internship structure, costs, and selection process please contact Prof. (Dr.) Sweta Panchal, F-101.
