

Circular

Subject: Revision of Backlog Detention Policy for Students

To: All Students and Faculty Members

This is to inform all concerned that Dr. Subhash University has reviewed its existing policy regarding **detention of students on account of backlogs**.

As per the earlier practice, students were subject to **backlog detention** in accordance with the University's prevailing academic regulations. After due consideration, the University has decided to **discontinue the provision of backlog detention with immediate effect**.

Accordingly, the following provisions shall apply:

- **No student shall be detained** from continuing his/her studies solely on the ground of having backlogs or failed courses.
- Students having backlogs shall be **permitted to continue** in the subsequent semester/year, subject to compliance with other applicable academic and administrative requirements of the University.
- The discontinuation of backlog detention **does not exempt a student from clearing the prescribed backlog courses/credits**. Students shall be required to successfully complete all courses/credits prescribed in their respective programme.
- Every student shall be required to **complete the programme within the prescribed minimum duration** as stipulated by the University Grants Commission (UGC) and other applicable statutory/regulatory bodies, as amended from time to time.
- Students shall be responsible for fulfilling all academic requirements, including attendance, internal assessment, examinations, practicals, internships, projects, and clearance of backlogs, as applicable to their programme.
- The respective Deans, Heads of Departments, Class Counsellors, and Examination Section shall ensure implementation of this revised policy in accordance with the applicable academic regulations.
- This revised provision shall be applicable with effect from 09/09/2026 and shall supersede the earlier provisions relating specifically to backlog detention.

All concerned are requested to take note of the above and ensure strict compliance with the revised policy.
