Subject: Regarding Extension for Completion of Master's Programme

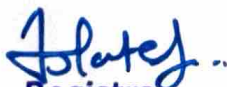

It is hereby notified to all concerned students that, as per the applicable regulations and guidelines of the University Grants Commission (UGC), a student is required to complete the programme in which he/she is enrolled within the maximum permissible duration of N+2 years, where N represents the normal duration of the programme.

Accordingly, students who were admitted to the **Master's Degree Programme** during the **academic year 2022-23** have now completed the maximum permissible duration of four years for completion of their respective programmes. A list of such students who have not completed their programmes within the prescribed maximum duration is enclosed with this notification as **Annexure-I**.

Students whose names are included in Annexure-I and who are willing to continue their studies and complete the programme may apply to the University for an extension of **one additional year**, subject to the approval of the competent authority. Therefore, all concerned students are hereby instructed to submit their application for extension to the University **within 10 working days** from the date of publication of this notification.

Students are advised to note that if **no application or response is received from a student within the stipulated period, it shall be presumed that the student is not willing to continue and complete the programme in which he/she was enrolled. Consequently, the admission of such student shall be treated as cancelled**, subject to the applicable rules and regulations of the University.

All concerned students whose names are included in Annexure-I are advised to take note of this notification and submit their application, if they wish to continue their studies, within the prescribed timeline.
